Re: Receipt of Survey, Desert Sandscapes, Black Ridge #1 Quarry, S/053/027, Washington County, Utah

Dear Mr. Alt:

The Division appreciates your prompt action in addressing our inquiry as to the total disturbance at the Black Ridge Quarry. We received your updated map on June 4, 1999. With sites being spread along drainage, such as this site, acreage estimation is difficult. The information that you furnished will satisfy any question that the Division had as to the present size of this quarry.

Thank you for your time and effort in addressing our concerns.

Sincerely,

Doug Jensen
Reclamation Specialist
